Sales Terms & Conditions

Ordering Information

Orders can be sent by:

Email: diagnostics.emea@bio-techne.com

Fax: 33.2.99.35.33.82

Mail: Bio-Techne SAS,
19, Rue Louis Delourmel
CS 49228
35230 Noyal Chatillon Sur Seiche
France

All orders are subject to acceptance and credit approval by Bio-Techne SAS.

Standing Orders

Any of the R&D Systems / Bio-Techne SAS products may be ordered on a standing order agreement or contract basis. Unless otherwise indicated, standing orders are automatically shipped the day as per our Blood Control Activity Schedule. The shipping date which may be communicated to the client by Bio-Techne SAS is only given as a general indication and is in no way binding on Bio-Techne SAS. Those standing orders are considered as firm orders.

Shipping

R&D Systems / Bio-Techne SAS whole blood products are shipped Ex-Works in Free of Charge insulated shipping containers with refrigerant to maintain product integrity.

Prices & Terms

Prices quoted are Ex-Works in Euro and are valid for the calendar year. The company reserves the right to increase any quoted price each year to take account of increases in costs (information available on our internet website at the "News" page). The company's terms of payment are at the invoice price within 30 days from the date of the invoice, without deduction unless otherwise agreed in writing by the Company. Bio-Techne SAS shall be entitled to interest on invoice sums outstanding for more than 30 days from the date of invoice at the rate of 4% per annum from the due date of payment to the date payment is received by the company. If the buyer fails to pay the price of the products in accordance with the provisions of this clause the Company shall be entitled, without prejudice to its rights to damages and interest, to suspend any outstanding deliveries or to cancel the Contract or any other Contract with the buyer.

Damage or Delay in Transit

The goods are considered delivered to the client from the moment they leave the premises of Bio-Techne SAS. They are transported at the risk and under the responsibility of the consignee, no matter what type of transport is used. The purchaser is thus committed to taking out an insurance covering the risk of loss, destruction or theft of the goods ordered. The transportation company acts as the agent for the purchaser. Bio-Techne SAS is not responsible for loss, damage, or delay concerning goods after delivery to the carrier.

Claims and Returns

Any claim for credit or return must be made within 10 days of shipment of the product. No credit will be issued for product returned without the authorization of Bio-Techne SAS. Non-delivery must be reported to the Company within 10 days of the date of the invoice or the agreed date of delivery, whichever is the earlier.

Order Changes and Cancellations

For Bio-technique Brands labeled products, any order should be received by Bio-Techne SAS before the deadline mentioned for each lot. Standing order decreases or cancellations must be received by Bio-Techne SAS at least 3 months prior to the next scheduled ship date. Cancellations or important decreases (more than 10%) made:

- less than 3 months before shipping will be charged at 50% of the product price
- less than 2 months before shipping will be charged at 75% of the product price
- less than 1 month before the planned shipment, no cancellation or reduction will be accepted.

Standing order increases may be accepted only when received by Bio-Techne SAS at least 14 working days prior the next scheduled ship date and is subject to Bio-Techne SAS ability to meet your requirements.

For Survey products, any order should be received by Bio-Techne SAS before the deadline mentioned following the Survey master schedule. Standing order decreases or cancellations must be received by Bio-Techne SAS at least 4 months prior to the next scheduled ship date. Cancellations or important decreases (more than 10%) made:

- less than 4 months before the shipment will be charged at 50% of the product price
- less than 3 months before the shipment will be charged at 75% of the product price
- less than 2 months before the shipment, no cancellation or reduction will be accepted

Standing order increases may be accepted only when received by Bio-Techne SAS at least 2 months prior the next scheduled ship date and is subject to Bio-Techne SAS ability to meet your requirements.

Exclusive Jurisdiction

In case of any litigation arising in relation with this Contract, the Parties hereby grant an exclusive jurisdiction to the Courts of Rennes (France). This clause providing for an exclusive jurisdiction shall be given the broadest effect and shall apply in any case, including in case of litigation relating to the pre-contractual phase or in case of emergency or protective proceedings, and notwithstanding the existence of other defendants or guarantees.

Warranty

All products supplied by Bio-Techne SAS are warranted to meet or exceed our published specifications when used under normal conditions in your laboratory. Should any product fail to perform as warranted, upon notification, Bio-Techne SAS at its option, shall promptly replace it, free of charge, or give full credit of the original purchase price. Our obligation and your sole remedy is limited to such replacement of the product or full credit of the original purchase price in the event the product proves to be defective.

Bio-Techne SAS does not make any other warranty or representation whatsoever, whether expressed or implied, with respect to these products. In particular, Bio-Techne SAS does not make any warranty of suitability, non-infringement, merchantability or fitness for any particular purpose of any product.
